I am a creative and experienced web front end developer with expertise in designing engaging and responsive user interfaces. With a background in modern web development, I possess in-depth knowledge of the latest technologies and design trends, enabling me to create optimal user experiences.

SKILL

Html , Css , JS , PHP UI Design : Figma
framework : Laravel , React
JS, Next JS

LANGUAGE

Bahasa Indonesia English

EDUCATION

Informatics Engineering ,Universitas Komputer Indonesia

2021 – Now

Studying at Universitas Komputer Indonesia majoring in
Informatics Engineering

Vocational School

2017 – 2020

Studied Bogor 3 State Vocational High School

WORK EXPERIENCE

Network technical

January 2019 – June 2019

Indonesia, Diskominfo

- During my internship at Kominfo as a network technician, I gained valuable hands-on experience in designing, installing, and maintaining computer networks. I learned how to troubleshoot various network issues and worked with a team to ensure that all systems were up and running smoothly.

Freelance

2021 – Now

- As a freelance front-end web developer, I specialize in crafting stunning and responsive websites using HTML, CSS, JavaScript, and frameworks like React And Next JS.
